

This document is intended for the Key ID User with online account access.

Step 1: Open the email titled 'Account Created' sent from Text2Car. This email contains your username and temporary password, as well as the link to the User Login page. Select the link titled 'User Login Page'.

NOTE:

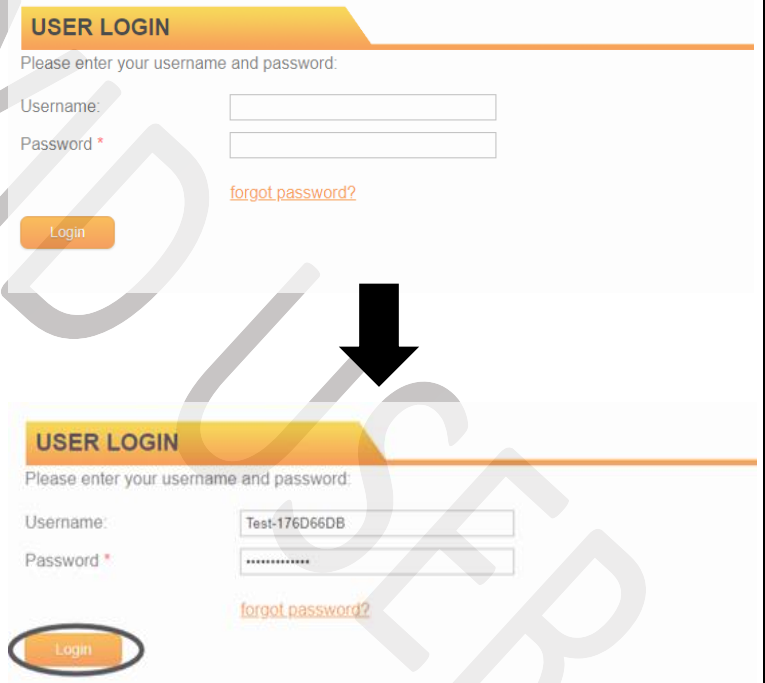

- User log-in page: <https://text2car.com/users/>
- If you did not receive the Account Creation email, please check your spam/junk folder, or contact your email provider.

Step 2: Copy & paste your log-in credentials (as seen in the email) in the boxes provided. Once entered, select 'Login'.

NOTE:

- When copying & pasting your log-in credentials into the boxes, make sure that no extra characters and/or spaces are being added into the boxes.
- To make things easier, you can create a home screen icon for the log-in page on your smartphone. To find out how to do this, please click [here](#).

Step 3: You have now logged in to your Mobile User Account.

NOTE:

- We recommend that you do not log out of your account. If you must log out, please remember to save your log-in credentials on your browser.
