Community Angels for Recreational Enrichment (C.A.R.E.) is funded by the County.

There are families in our county who are financially unable to afford to put their children into any kind of recreational activity.

C.A.R.E. offers assistance to these families by covering part or all of the costs of registration fees and equipment.

Any activity qualifies, from school sponsored activities such as band and sports teams to dance, skating and swimming.

## COMMUNITY ANGELS FOR RECREATIONAL ENRICHMENT

.....

Sports clubs, school counselors, coaches, instructors if you know of a family that could use assistance please contact Woodlands County. All referrals will be kept in the strictest confidence.

The benefits of being involved in sports and other activities are numerous.

Sports and activities provide an arena for youth to be physically active and spend less time in sedentary pursuits. This can translate to a healthier lifestyle both now and in the future as well as providing important health benefits. Participation gives youth the chance to learn a variety of motor skills and provides an opportunity to learn social skills and make friends.

### Applying for Assistance

If your present income, financial position or special circumstances limits your children's ability to participate in activities, we encourage you to complete the enclosed application for assistance. Applications will be reviewed by the Woodlands County Community Services Committee to determine eligibility.
