

# Notice to Residents

Nov 2, 2016

Due to heavy hauling and construction during recent inclement weather, Woodlands County will now be inspecting and monitoring roads in your area on a daily basis.

In agreement with Woodlands County, Pembina Pipeline and their contractor Midwest Pipelines Inc., will be maintaining and repairing the road daily at their own expense.

Please contact our office at (780) 778-8400 if you have any concerns regarding road quality or safety.

For further information, please check our website at [woodlands.ab.ca](http://woodlands.ab.ca) or follow us on Facebook.
