

**Title: Roadside Brushing Adjacent
to Residences**

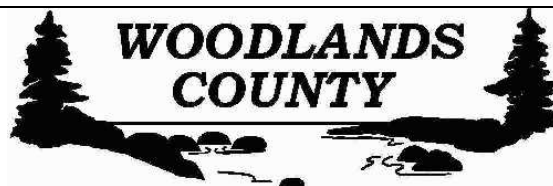

Policy No: 3216

Approval: County Council

Effective Date: February 1, 2000

Revised Date: June 15, 2004

Supersedes Policy No: NIL

Policy Statement: To set a standard for the removal of trees in County rights-of-way.

1. When trees taller than 2 meters are to be removed directly in front of a residence the property owner/s will be contacted.
2. Should the property owner request the trees be left standing, they will remain until construction requires their removal.
3. Notwithstanding clause no.'s 1 & 2, all trees on the shoulder slope and within the ditch bottom will be removed regardless of size.
4. Brush under 1.83 meters (6 feet) in height shall be controlled by spot spraying and/or mechanical means. Brush over 1.83 meters (6 feet) in height shall be controlled by mechanical means only.
5. Chemical applications must adhere to Alberta Environment permit conditions, and done in accordance with guidelines set by the Industrial Vegetation Management Association of Alberta.
