

Title: Predator Control
Policy No: 6308
Approval: County Council
Effective Date: May 4, 1994
Revised Date: April 19, 2005

Supersedes Policy No:

Policy Statement: Woodlands County's Agriculture Services Board, under the authority of the Agricultural Pests Act and in cooperation with Alberta Agriculture, Food & Rural Development and Alberta Sustainable Resource Development, shall coordinate the control of predators causing livestock predation.

1. The Director of Agriculture Services shall deal with each request for assistance and shall investigate predator claims reported to the County Office.
2. The Director of Agriculture Services shall report to the Agriculture Services Board any action taken with respect to predator control, as well as maintaining the necessary provincial records.
