

Title: Dissemination of Information
Policy No: 6205
Approval: County Council
Effective Date: January 20, 2009
Revised Date:
Supersedes Policy No: Nil

Policy Statement: To provide for the effective and timely dissemination of information to local community groups.

1. The County receives a substantial amount of correspondence from various organizations and the provincial and federal governments which does not require specific action from Council.
2. As some of the correspondence directly affects our local community groups', administration will immediately forward the information to the appropriate groups and put a copy of the correspondence in the Council's information package. This will ensure the timely dissemination of this information to our local community groups and not unduly burden Council with simple administrative tasks.
