

**Title: Road Program Grant
Application**

Policy No: 3215

**Approval: County Council
Effective Date: January 1, 1994**

Supersedes Policy No:

Policy Statement: To establish a priority program for the purposes of application for special grants for the upgrading of current roadways and construction of new roadways within Woodlands County.

1. The Municipality will establish a yearly list of road priorities, including a list of current roads requiring upgrading and new road construction requirements, based on recommendations of the Director of Infrastructure Services.
2. The road priorities list shall be based on the need for the entire County, rather than upon need for divisional boundaries.
3. Upon preparation of the road priorities list, the Municipality shall submit the same to Alberta Transportation for the purposes of application for special grants that may be available.
