A Commissioner for Oaths in and for the Province of Alberta

Commissioner for Oaths - Alberta
Expiry Date: April 18, 2023

A. History and Background

1. The Town of Whitecourt became the registered owner of the Whitecourt Cemetery in June 1963, and has operated it since.
2. Prior to June 1963, the Whitecourt Cemetery was owned and operated by the Legion since August 1947. The Town assumed ownership and responsibility for the Cemetery pursuant to Bylaw 32 (February 1962) (See **Appendix 1: Bylaw 32**). Additional municipal land was set aside in October 1962 to expand the Whitecourt Cemetery.
3. In recognition of the fact that County residents use and benefit from the Whitecourt Cemetery, the Town and County entered into a Cost Sharing Agreement with respect to the Cemetery via Bylaw 1282 in November 1999 (see **Appendix 2: Bylaw 1282**). The Cost Sharing Agreement between the Town and County dated June 24, 2008 and the Amending Agreement dated March 11, 2013 also expressly contemplated the County contributing to the operation and maintenance of the Whitecourt Cemetery. (See the **General Evidence section for copies of the previous Cost Sharing Agreements.**)
4. In 2019, the Town applied for an amendment to the Provincial Health Board permit to expand the Cemetery to include Blocks 25 to 33, and four Columbariums. The approval was granted by the Province on July 5, 2019 (see **Appendix 3: Whitecourt Cemetery Final Certificate of Approval**). A map showing the current size and approval for the cemetery is attached at **Appendix 4: Whitecourt Cemetery Map dated December 2020**. An aerial view showing the adjacent land which is available for future expansion is attached at **Appendix 5: Map of Current and Future Expansion Areas**.
5. The Whitecourt Cemetery is operated pursuant to Town Bylaw 1563 (see **Appendix 6: Bylaw 1563**).
6. Currently, the Whitecourt Cemetery has a total of 1,406 plots and 120 niche compartments. Most plots are designated for General Purchase, and some are set aside as "Field of Honour" plots reserved for veterans. As of December 31, 2020, there were 38 remaining niche compartments for general purchase, and 153 remaining plots, summarized as follows:
 - 112 Plots for General Purchase
 - 19 non-denominational
 - 93 consecrated as Roman Catholic
 - 41 Field of Honour Plots

- 9 non-denominational
 - 32 consecrated as Roman Catholic
7. Each plot can hold one casket and up to three urns. Caskets must be placed first; once an urn is placed only urns can be placed. For example, if the first remains placed are in an urn only 2 more urns can be placed limiting the maximum capacity of that plot to 3 remains. Each columbarium niche can accommodate up to two standard sized urns.
 8. The Whitecourt Cemetery includes a Field of Honour that is reserved for the burial of veterans as defined by Veterans Affairs Canada, and individuals must be able to provide their service number along with an affidavit from the Department of Veteran Affairs. One immediate family member may also be placed (urn only) in the same plot as a Veteran provided that the Veteran is interred first.
 9. Field of Honour has a total of 80 plots with 41 remaining as of December 31, 2020
 - Field of Honour plots are free (with the exception of opening and closing fees).
 - Columbarium niches are also offered at a discounted rate to Veterans (\$570/niche – 2021 rate), approximately 2/3 the cost of a resident niche cost (\$854/niche – 2021 rate)
 10. The Whitecourt Legion has assisted with improvement projects in the Field of Honour in the past, including leveling and seeding sunken graves, providing signage, planting trees and development of gardens around headstones (2017). Maintenance of the gardens in the Field of Honour are undertaken by the Legion.
 11. Space exists to further subdivide and expand the cemetery. The current expansion area (shown in green in the attached map at **Appendix 4: Whitecourt Cemetery Map dated December 2020**) allows for approximately 170 more plot sites, although it is not anticipated that these plots will be required or made available for sale until 2025. In order to make the expansion area available for use, the Town will need to install runners, at an estimated cost of \$46,800.
 12. Further land is available to expand the cemetery for years to come (see **Appendix 5: Map of Current and Future Expansion Areas**). The 2021 budget includes \$20,000 for a cemetery planner to review what the Whitecourt Cemetery requires and to plan future expansion.
 13. Both Town and County residents receive discounted “local” rates to purchase plots and niches, including County residents who reside outside of the official “cost share” area defined in the previous cost sharing agreement. Current cemetery fees for residents and non-residents (being anyone residing outside of the Town and County) are set out in the Town’s Bylaw No. 1551-2 dated February 4, 2021 (see **Appendix 7: Bylaw 1551-2**), as follows:
 - Grave Lot Purchase

- Resident: \$456.00
 - Non-Resident: \$570.00
 - Veterans (Field of Honour): No Charge
 - Opening & Closing Charges
 - Grave opening and closing for casket - \$513.00
 - Urn opening and closing (Monday to Friday 10:00am-4:00pm) \$171.00
 - Urn opening and closing (after hours, weekends, holidays) - \$60.00/hour (in addition to regular opening and closing rate listed above)
 - Niche Purchase in a Columbarium
 - Resident: \$854.00
 - Non-Resident: \$969.00
 - Veterans: \$570.00
 - Placement of Second Urn in Niche
 - Extra Engraving (images, inlays, diamond etching): At cost
 - New Face Plate (if required): \$171.00
 - Niche Vase: \$228.00
 - Second Urn Engraving: \$456.00
 - Second Opening and Closing: \$114.00
 - Transfer Application Fee
 - \$46.00
14. From 2016 to 2020 an average of 10 cemetery plots and 13 columbarium niches were sold per year. Following this trend, we could expect 102 plots (excluding Field of Honour plots) and 25 columbarium niches will remain at the end of 2021. (See **Appendix 8: January 2021 Whitecourt Cemetery Database.**)

	Current Availability (as of Dec.31, 2020)	2021 Sales	Estimated Availability as of December 31, 2021
Plots	112	10	102
Niches	38	13	25

B. Area of Service

15. According to the 2013 Amended Cost Sharing Agreement, all of Area 1, Area 2 and 50% of Area 3 as identified in the Agreement were considered the catchment area for Town services, including the Whitecourt Cemetery. **(See the General Evidence section for a copy of the previous Cost Sharing Agreement.)**
16. Prior to 2020, statistics between Whitecourt and Woodlands County resident use was not captured as there were only 2 rates established for purchases: one rate for local (which included both Town and County residents) and another for non-local (for those outside of the Whitecourt and Woodlands area). Further, many purchasers would also often provide only their mailing address and not their civic address which makes it difficult to know whether they were a Town or County resident and/or which part of the County they might be from. Cemetery Administration began recording whether or not purchasers were from Whitecourt or Woodlands in 2020 to help address this.
17. Tracking for 2020 showed that purchases for cemetery plots and niches were equal with Town residents purchasing nine and County purchasing nine (see **Appendix 9: Whitecourt Cemetery 2020 Records**). The tracking data for 2020 is for the person who purchased the plot or niche, not the place of residence of the person actually interred there. If someone resides in the Town or County, they can purchase multiple plots for family members and be charged at the “resident” rate, even if their family members reside outside the Town or County.

C. Scope of Level of Services

18. The Town is currently responsible for the administration, operation and maintenance of the Whitecourt Cemetery. As indicated above, the Legion provides some maintenance support and capital improvements for the Field of Honour on a voluntary basis.
19. The Town of Whitecourt manages/administers all life cycle/capital improvements at the facility, including paving, road maintenance, monument installation/maintenance, and the Cemetery’s operations, including: planning, sales, internments, openings/closings, runner installments, groundskeeping (fence and tree maintenance, grass cutting, weed control etc.), mapping/record keeping, and administration in accordance with the *Cemeteries Act*.
20. Under the *Cemeteries Act*, the Town is responsible for all insurance costs, reporting and record-keeping associated with operating the Whitecourt Cemetery.
21. The gate hours for the cemetery is 10am-6pm, seven days a week (closed only on statutory holidays as the Town’s transfer station employees open and close the gate and the transfer station is closed on statutory holidays). The man door at the cemetery is always unlocked for pedestrian access.

D. Administrative Overhead

22. The Town's Administration provides overall administrative support and direction to the operation of the Whitecourt Cemetery. The Town has provided a spreadsheet estimating administrative overhead costs associated with the operation of the Whitecourt Cemetery. See **Appendix 10: Cemetery Administrative Overhead**.

E. Budget Summary

23. The Cemetery Budget 2019-2021 and the Sub function budget reports for 2019 and 2020 actuals, and 2019-2021 budget have been attached at **Appendix 11: Cemetery Budget Summary 2019-2021**.

F. Life Cycle Planning

24. A Life Cycle plan for the cemetery has been used by the Town for long term financial planning to help guide decision making, promote sustainability in the future, and enhance the resident's quality of life by providing quality services and facilities. See **Appendix 12: Cemetery Life Cycle Plan**.
25. Capital expenditures have historically been cost shared on a case by case scenario with proposed expenditures brought forward through the Joint Liaison Committee. Any future cemetery expansion plans and associated costs would have to go to the Committee for approval. See **Appendix 13: Cemetery Capital Plan**.
