

**Title: Access Roads**

**Policy No: 3201**

Approval: County Council

Effective Date: January 1, 1994

**Revised Date: April 16, 2019**

**Policy Statement:** To allow for the construction of municipal roads to parcels that do not have physical access.

1. When an individual requests the construction of a road that is not necessarily required in the interest of the public generally, the Council may approve its construction.
2. If approved, the cost of constructing the road is to be borne solely by the applicant.
3. Construction specifications are to be as per the approved Woodlands County Design Guidelines and Construction Standards.

Woodlands County will be responsible for the maintenance of roadways constructed under this policy. The property owner is to bear all costs associated with the construction of the roadway.
