

Seasonal Positions

Woodlands County Agriculture Services, Community Services, and Infrastructure Services departments are presently seeking enthusiastic individuals to fill the following full time temporary, seasonal positions:

Community Services Labourers – Job #19-001

Duties include: maintenance of all Woodlands County day use and campground facilities including cutting grass, whipper snipping, cleaning outhouses, picking up garbage, painting buildings, installation of signs, picnic tables, and fire rings and the planting and maintenance of flower beds. Preference may be given to applicants with experience operating weed eaters, push and ride on lawn mowers.

Infrastructure Labourers – Job #19-002

Duties include: grounds and road maintenance including sign replacement, pot hole patching, flagging, operating small equipment and other various labour duties.

Weed Inspectors – Job #19-003

Duties include: Identification and reporting of prohibited and noxious weeds, communication of weed control responsibilities with residents and issuing enforcement notices as required by the Alberta Weed Control Act, manual weed and pesticide control, detailed record keeping, computer operation, and other related office duties, manual labour and other duties as required within the scope of the position. Preference may be given to applicants with working knowledge of the Alberta Weed Control Act.

All positions require a valid Alberta Class 5 License.

Interested individuals are invited to submit a resume and cover letter highlighting their qualifications no later than 12:00 Noon Monday, January 28th. **Applications must identify the job number(s) for the positions desired.** Positions will remain vacant until a suitable candidate is found. All applications may be emailed, faxed or dropped off to either:
